

Kick back and relax with HORRID HENRY this summer:

CODE LETTERS

Horrid Henry has written a note to Perfect Peter. He's used a secret code so that his mum and dad won't read it and stop him watching TV.

Can you break the code and read the note?

CLUE: If A = Z and Z = A,
can you work out all the letters in between?

Now use Horrid Henry's
code to write your own
note to Perfect Peter.
