

Now you can be Horrid Henry too! Here's a mask to colour in and cut out.

Website design: Pedalo Limited

Instructions:

1. Colour in the mask
2. Stick it onto some light card.
3. Cut out the mask along the dotted lines (ask an adult to help)
4. Cut out the eye holes.
5. Cut the nose and mouth flaps only as far as the dotted lines.
6. Make holes in the ears and thread some elastic through.
